

Associate Director

If you are looking for the opportunity to use your drive, creativity and entrepreneurial spirit, as part of our team, you can make your mark in the world – building companies and helping clients to realize their dreams. To join Go4Venture, you'll need a strong sense of purpose and motivation and a passion for excellence.

Role

- Transaction execution (at times autonomous), which may include writing business plans and financial models.
- Carrying out and presenting one-on-one with the client original research pieces such as valuation, competition or market size.
- Preparing and updating project management documents.
- Participate in deals with all stakeholders supporting Managing Directors to conclusion.
- Assisting in creating and participating in marketing pitches.

Candidate

- Established track record in Corporate Finance and M&A either at a reputable Investment Bank, Venture Capital firm or equivalent in a corporate environment.
- Proven knowledge in the Technology sector.
- Graduate School education, MBA from a highly regarded university an advantage.
- Proven capability to be creative, providing & recommending solutions/opportunities.
- Excellent oral and written command of English is essential, second European language an advantage.
- Driven, ambitious and team-oriented individual, focused on the end goal.

General Characteristics

- A passion for excellence to achieve superior results in every project we undertake.
- Integrity, both personal and professional is critical to the success of our business.
- Leadership, seeking and initiating improvements for the clients and the Firm.
- The desire to be challenged, to find innovative solutions for the clients and the Firm.
- The drive to use your creativity, entrepreneurial spirit and imagination.
